

WE NEED YOUR HELP!

After exhaustive lawsuits (now awaiting Ga. Supreme Court), appeals, and bond interventions, our Treasury is now all but *exhausted*. Although we are a voluntary organization, it requires continuous donations and membership dues to maintain our fight against poor government, *waste of taxpayer dollars*, and most recently, *corruption in government*. Please do your part by *joining us*, *renewing* your membership, or by (tax deductible) gift of any amount. Your participation makes a real difference.
